

Testing Windows

The computer-based Uniform CPA Examination is offered the first two months of each calendar quarter. These months of testing are known as testing windows:

- January 1 – February 28 (or 29)
- April 1 – May 31
- July 1 – August 31
- October 1 – November 30

The examination is not given during the third month of each calendar quarter (March, June, September, December) to allow for systems and databank maintenance. It is important that you plan accordingly; it is your responsibility to schedule the sections of the examination you have yet to pass so you do not lose credit for previously passed sections.

You can take any or all sections of the examination during any testing window and in any order. However, you may not take the same section more than once during any one testing window.
