Beginning December 9, 2015 the board will no longer be issuing wallet cards at the time of initial licensure or renewal pursuant to HB 64. The board's website will be the sole source of verifying the status of an individual license. The current status of your license (whether active, inactive, lapsed, etc.) will be available online at the Board's website: <http://www.acc.ohio.gov>. The web site will also show the date your license expires. For employers and payer plans to verify the status of the license, they will go online (just as they do now) to do so. The list of licenses that you hold will be displayed under your personal information. It will contain your license number, status, issue date, and expiration date. You may also use the website for address updates, letters of good standing requests, online renewals, etc. This service is available 24 hours a day—7 days a week.
